

Retirees

**You've been chosen as our representative
on the Local Citizens Board.
Your main task is to protect our interest.**

1

We are very attached to the land and our homes. Our families lived here for years. Please don't let the Board fund the **Relocation support** ①.

2

We don't want to move out.

3

Instead, the Board should decide to support the **Reforestation** ②. It would be amazing to have more trees in our Valley. Imagine it!

4

The **wellbeing** ③ of our families will improve if Local Citizens Board decides to fund the **Hospital Redevelopment** ④.

Don't disappoint us!

You can find more details about the actions on your action cards.
